Recertification of HUDCO in ISO 9001:2015 Quality Management System (QMS)

HUDCO, earlier an ISO 9001 : 2008 company has received ISO 9001:2015 certificate for Quality Management System for its full range of activities covering project and retail financing services, resource mobilization for funding, consultancy, training, research and networking in human settlement planning and management from M/s United Registrar of System (URS) on 14.09.2018.

The major changes which have been introduced in HUDCO's Quality Management System are as under:

- ✓ Process approach strengthened and is more explicit.
- ✓ Concept of preventive action now addressed by risk identification and mitigation.
- ✓ Increased emphasis on seeking opportunities for improvement.
- ✓ Enhanced leadership involvement in the management system.
- ✓ Risk-based thinking integral to new approach.

The organization now periodically identifies and assesses risks for optimum allocation of its resources.
