NO.HSMI/CPD/BPA/2012-13/

JANUARY 30, 2014

Sub : Extension of the last date for receiving entries from HUDCO Borrowing Agencies for HUDCO Award for Best Practices to Improve the Living Environment – 2013-14

This is in reference to our IOM dated 10.11.2013 and reminder dated 15.01.2014 with regard to inviting entries for “HUDCO Award for Best Practices to improve the living environment” for 2013-14. The details of the award are available on HUDCO’s Website:www.hudco.org under the link “What’s New”.

The success of the initiatives is dependent upon wider dissemination of the same among all the stakeholders – Government, Private, NGOs, and others. The entries were to be submitted by 31st January 2014. However, not many entries have been received so far and the last date for receiving entries for the Award has been extended upto 28th February 2014. You are therefore requested to kindly intimate and pursue vigorously with the State Secretaries dealing with the housing and urban development, Municipal bodies/Local Self Government, Municipal Commissioners/Chief Executive Officers of the Municipalities and all other concerned agencies, Government as well as Private in the States/UTs under your jurisdiction for inviting entries for the Award.

We are hopeful of full support of Regional Offices in the above initiative.

A.N. Krishnamurthy
Executive Director(Training)
